

Information for Band/Artist playing @ Exodus Venues

Firstly a thank you for your interest in performing at exodus.

Please have a read through this information, which will inform about what we do at exodus.

Venue

Exodus venues are seeking to provide a credible space for young people to meet and a place of fun where God's name is honoured. We have venues in Coleraine and Lisburn and work with young people between the age of 15 and 25.

The **Freedom** venues in Lisburn and Coleraine are the high-energy venues designed with band performances in mind. We have good sound systems in place in both locations and a range of lighting/projection options and hanging decor to add to the atmosphere.

Ethos

We ask you to **screen the content of any songs** that you play. We ask that you **do not play any material containing swear words, provocative language or sexual innuendo**. This includes any material that promotes subjects such as the use of drugs and/or other addictive pastimes, violent behaviour etc. If in any doubt please feel free to ask.

On the night of the Unsigned Heats, there will be up to 8 bands in each venue meaning that a quick transition time between acts is essential.

Venue opens at 8.45pm and closes at 11.45pm.

The Venues are run by Exodus Staff, Paul Murphy and Ben Steen for Lisburn, Tim and Carrie Robinson in Coleraine, and by our team of dedicated volunteers (around 15-25 on a night). We meet to pray for the evening at 8.00pm.

Sound checks will also need to be conducted in an efficient manner, they will be sound checks not practices.
