

EXODUS PROTOCOLS FOR INDOOR TEAM MEETINGS

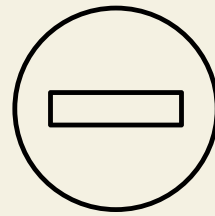

Exodus is committed to providing opportunities for young people, however, we are acutely aware of our responsibility to keep young people safe. As a result, we plan in hope but prepare to adapt.

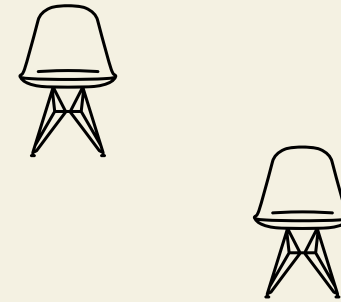

Wipe down surfaces and doors before and after

Setup chairs to ensure people are 2m apart

Do not attend if you have COVID-19 symptoms - temperature, cough, loss of taste or smell

Sit down on arrival and don't move seats throughout

Wear face masks at all times

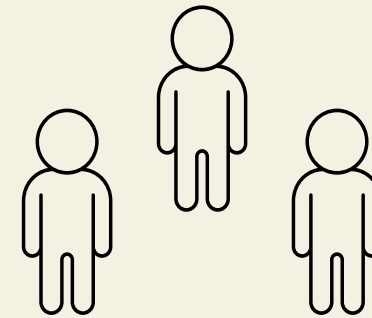

Sanitise hands on arrival and departure

No food or drinks

Keep a record of attendance

Avoid unstructured times that lead to no social distancing
